

# Supplementary weft rainbow band

Free pattern for personal use only.

This pattern is for those of you who are already familiar with the supplementary weft technique. If you want to learn this technique, check out this tutorial.

For this pattern you need to warp 27 heddled threads and 27 unheddled threads. Start with a heddled thread and end with an unheddled thread.

The pattern starts with an unheddled row.

For the continues lines, I used the rainbow colors.

For the diamonds, I used the blue colors.

With the small brown lines, I marked when you have to change color.
